## Come Aboard As We Fly Into 2024 !!

To All Our Friends and Supporters,

What a great past year we had at WOF. It was another record breaking year of serving more missions and moving more tonnage of supplies and goods than ever before. We are setting new records from each of the previous years since 2020. God is blessing us each year with more supplies to help others and the amount of mission organizations that are coming to us asking for assistance is increasing each year. We feel WOF is a resource to help those pastors and missionaries that are out in the trenches to help carry on their ultimate goal of bringing the Gospel to those that don't know our Lord and Savior. That is WOF's goal every year, to do our part in that ultimate task. Remember, there is strength in the body of Christ when we come together to support each other.

We want to thank you all for being faithful supporters of WOF. Your prayers, support, financial donations, and words of encouragement have been felt by all of us as we embark on the tasks that come before us. We can't do this without you and your prayer filled support! We ask that you will continue to hold us up in prayer this new year as we move forward.

As WOF is a resource to assist our pastors and missionaries, you guys are our resource of strength, support and our prayer warriors. We thank you!

Faithfully Yours,

Jeff Gasteiger (WOF President for 2024)
