Dear Dale,

Just a note to let you know that we will be on a sabbatical of sorts through the summer at least. We are going to Washington to work on the interior of the chalet we built up there near Heavenworth, WA. We may be staying through the fall and winter this year to complete the chalet.

Thank you so much for your support of \$ for gas! We really needed it, and it was put to good use, filling the gas tank so that Bud could transport food, clothes, tracts and Bibles to our brothers and sisters in Mexico.

We are considering a short-term trip to the Philippines with Alex and Nora later on. Please pray for us for God's leading and provision and protection. Where you, Bro. Dale
