

Dear Brothers & Sisters at Wings of Faith,

I just wanted to send a note and say thank you so much for the backpacks. We just handed them out to our food bank families and everyone was so excited. This last food bank was a time of real joy. I could see the thankfulness in the attitudes of everyone and you all are such a big part of that. God is using you in a big way out here on our reservations.

Thank you all so much for all the work you do for our Lord. God bless you,

Susan Curo
