

Fountain of
LIVING WATERS
INDIAN MISSION

Dear Wings of Faith and Feed The Children Ministries,

August 12, 2015

We received your recent delivery of backpacks and school supplies for the White Mountain Apache children here in Cibecue via truck and wanted to express our sincere thanks and appreciation for your contribution. The Lord will bless those that bless the poor, and we know that God will bless you for your great generosity, in many wonderful ways!

The school supplies and backpacks and will be blessing many Apache kids. So, again, thank you so much, and thank you from the Apache people. Also, the boxes of trail mix and soup mix will help us replenish our empty food bank! God bless you!

Sincerely,
And in Christ Jesus,

Pastor Wayne N. Stephens
